DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicant's response filed on 10/19/2005 is acknowledged. Applicant asserts: "Independent claims 1, 9, 14, 17, 22, 24, and 26 define patentable subject matter." Examiner disagrees with the assertion. Examiner has in no place in the Non-Final Rejection pointing out any patentable subject matter. However, there is a typo in Office Action Summary, wherein the withdrawn claims 1-6, 8-14, 16-22, 24, and 26 were erroneously recited as allowed claims. For correcting the typo a Supplementary Office Action Summary is attached. Applicant is requested to file a supplementary response corresponding to the Supplementary Office Action Summary.

The time counting is restarted from the mailing date of this letter.
